	2/5 positive regulation of synaptic transmission, glutamatergic	
	2/17 positive regulation of synaptic transmission	p < 0.001
	2/7 regulation of synaptic transmission, glutamatergic	p < 0.01
	3/145 cognition	p < 0.05
	3/27 regulation of synaptic plasticity	
	2/9 forebrain cell migration	
	3/41 telencephalon development	
- [2/12 response to fatty acid	
	8/448 cell adhesion	
	2/16 response to axon injury
